GOLF OUTING for CM SCHOLARSHIPS
Rescheduled: Wednesday, September 30, 2020
Registration Begins 9:00 AM Shotgun Start 10:00 AM
Brookmeadow Country Club, Canton MA

Join us for a great day on the links as we raise money to support students at the numerous local colleges that our industry depends so heavily on. Scholarship candidates are studying construction and engineering degrees at Northeastern University, Roger Williams University, Southern New Hampshire University, Fitchburg State University, Norwich University, Wentworth Institute of Technology, and Worcester Polytechnic Institute and are very interested in networking with you!

Brookmeadow Country Club is located off of I-95, just seven of Rt. 128, 10 minutes from Boston or Providence. Designed by Sam Mitchell, Brookmeadow is an 18-hole, award-winning Par 72 course located 6,276 yards from the Whites, a 118-slope rating, and includes four Par 3’s and four Par 5’s. Visit www.brookmeadowgolf.com for directions & more info.

Corporate Sponsorship $1,000: Includes green fees, carts, Happy Gilmore Contest, lunch for a foursome, and a sponsorship donation to the scholarship fund. Corporate Sponsorship is asked to kindly provide a suitable prize to be used for the raffle. Your corporate name will be prominently displayed at the tournament and in other CMAA New England Chapter publications.

Sponsorship Without Golf $275: Includes sponsorship of either a hole or one of the tournament activities. Sponsors are asked to kindly provide a suitable prize to be used for the raffle. Your corporate name will be prominently displayed at the tournament.

Individual Player $180: Includes green fees, carts, Happy Gilmore Contest, lunch, and an individual donation to the scholarship fund. Individuals are welcome to provide a suitable prize to be used for raffle.

Typical Prizes include Golf Clubs, Gift Certificates, Electronic Devices, Sporting Event Tickets, Golf Accessories, etc.

Reserve your spot(s) and pay on-line at https://cmaa-ne.org. Want to pay by check? Reserve your spot(s) online, select “Bypass Payment”, and mail your check payable to “CMAA New England” to:
Jeffrey Paul, 70 Eagle Drive, Canton, MA 02021

Distinguished Service Award
Special thanks from CMAA New England presented to:
Kay Barned-Smith, AIA, CCM

The CMAA Distinguished Service Award recognizes a member whose consistent actions, with a demonstrated record over a number of years, have made meaningful and or extraordinary contributions to the advancement of the CM profession, such as mentoring, advocating, promoting, and selecting professional CMs. Nominations for the Distinguished Service Award are accepted by the CMAA New England Chapter annually.

Project Achievement Awards

America's leading professional construction and program managers deliver creative and innovative projects around the world. Many of these projects have a great story to tell, regardless of size or complexity. Whether a small elementary school renovation, a large federal installation, or a dam, successful projects represent lessons learned in our industry. CMAA New England wants to recognize this dedication and hard work by acknowledging the projects and the project teams that make it all happen.

In 2020 we’ve experienced very different circumstances, battling COVID-19 and showing we are, yet again, standing in solidarity. To honor this year’s industry efforts, we are recognizing a Team versus our annual Person of the Year. Please join us in celebrating this year’s recipient for their dedication and critical accomplishments.

In 2020 we’ve experienced very different circumstances, battling COVID-19

Partnered with the City of Boston, Boston Hope envisioned, and built the Boston Hope Medical Center at the Boston Convention Center in 7 days, providing care for 750 COVID patients and protecting our Commonwealth's hospital capacity. Our Keynote Speaker, Retired Brig. Gen. Jack Hammond, executive director of the Home Base Program, a Red Sox Foundation and Massachusetts General Hospital program, led the build-out and operations Boston Hope. He will share the behind the scenes back story of determining its need, key decision-making tactics, challenges, and logistics related to the Boston Hope story.

Congratulations to our valued client, Northeastern University, Hill International’s local team, our partners Skanska, Payette, and Arup, and everyone else involved in the project.
Building Better Communities

At Skanska, we build what matters. From hospitals to stadiums, airports to corporate headquarters, and power plants to tunnels and bridges, the important buildings and infrastructure we create help heal, transport, entertain and energize communities.

As committed as we are to be the best in construction, we are just as committed to the people in the communities where we live, work and play. The wellbeing of our people, customers, partners and communities is our top priority as we continue to adapt to this global pandemic.

Thank you to all the essential employees, healthcare professionals and construction workers who keep us going safely.

WSP Congratulates all the 2020 Project Award Winners and the Dr. Mark H. Hasso Scholarship Award Winners

We engineered some of our nation’s tallest buildings and designed highways, bridges, airports and transit from coast to coast.

Our expertise lies at the intersection of the transportation infrastructure and the skylines we have helped to shape.

We are WSP USA.

Find out what we can do for you.

CMAA’s Vision
is that all owners will realize project and program success by using professionally qualified Construction Managers (CMs).

Our Mission
is to promote the profession of construction management and the use of qualified CMs on projects and programs.
AECOM congratulates the Massachusetts Port Authority (Massport) on its Logan International Airport Terminal B Optimization project being recognized by the CMAA New England chapter with a 2020 Project Achievement Award. We are proud to be part of the Massport team, providing terminal design services.

aecom.com
Congrats to the 2020 award recipients.

Proud gold sponsor of CMAA New England.

Janey Construction Management

Congratulations to this year’s CMAA Award Winners and Scholarship Recipients
CMAA New England has established an endowed scholarship in partnership with Wentworth Institute of Technology (WIT) in honor of Professor Mark H. Hasso who passed away this year.

Mark’s friends and colleagues have added to CMAA New England’s initial $25,000 donation and along with WIT’s match, the fund has increased to $72,200.

Let’s bring the amount to $100,000! This would result in an annual $5,000 scholarship to a very deserving WIT Construction Management student beginning in 2021.

All contributions made by December 31, 2020 will be matched by WIT. If you are interested in donating to the scholarship fund, please send a check payable to:

Wentworth Institute of Technology  
(In the note section write: “Mark Hasso Endowed Scholarship Fund of the CMAA – NE”)  

Mail check to:

Meredith Eppel Jylkka  
Assistant Director, Corp. and Foundation Relations  
Wentworth Institute of Technology  
550 Huntington Ave. | Williston Hall 3rd Fl.  
Boston, MA 02115
