IN ASSOCIATION WITH
THE LEAN CONSTRUCTION INDUSTRY NEW ENGLAND

LEAN CONSTRUCTION PRINCIPLES
AND TOOLS

The Lean Construction Institute New England Community of Practice (LCI New England) will present Lean Construction Principles and Tools. The presentation will include an overview of Lean Principles and Tools and examples of their application on projects nationwide. The program will focus on specific lessons learned on the Commonwealth of Massachusetts Division of Capital Asset Management (DCAM) demonstration project for the use of Lean Principles and Tools at the Western Massachusetts Regional Women’s Correctional Facility in Chicopee including the perspective of the project designer. The program will conclude with a dialogue on the expanding use and knowledge of Lean Construction Principles on projects in New England.

Distinguished Panelists Include:

Daniel G. Tenney III, AIA
Principal Architect, Technical Practice Leader
Kleinfelder/S E A Consultants

Colin Milberg, Ph.D.
Director of Lean Learning
The ReAlignment Group, Ltd.

Luciana Burdi, Ph.D.
