

Artificial Intelligence in Construction

Fall 2025 Lecture Series (Four Parts)

Part 1 – Safety Management

Tuesday, September 9th, 2025

Wentworth Institute of Technology - CEIS Building 102

7:00 AM – 9:00 AM

CMAA New England is thrilled to partner with Wentworth Institute of Technology to put on a four-part Breakfast and Learn Series on how Artificial Intelligence is impacting the Construction Industry. Throughout the Fall of 2025, panel discussions will focus on a specific Construction Management task for each event:

Safety Management – Sep. 9, 2025

Time Management – Oct. 14, 2025

Cost Management – Nov. 4, 2025

QA/QC Management – Dec. 9, 2025

September Details!

Go to <https://cmaa-ne.org> to find the latest event details! Or use the QR code! Ticket prices will be posted in August 2025 when registration opens. Please contact info@cmaa-ne.org if you have any questions regarding the registration process.

Parking:

Halleck Street Lot – Free Parking Available ([see campus map here](#))

About this Program and Partnership

CMAA New England and Wentworth Institute of Technology's Sweeney Programs of Construction Management have organized this four-part lecture series to bring educational and insightful content to CMAA members, WIT Alumni, and industry professionals. Each organization's missions and visions align, making for a strong partnership.
