Autodesk has been at the forefront of the design world for more than 30 years. Boston-based Autodesk BUILD Space, a unique industrial workshop and innovation studio focused on the future of making things in the built environment – the places we live in, the buildings we work in, and the infrastructure we rely so heavily upon.

Join CMAA Young Members Committee on a tour of Autodesk BUILD (Building, Innovation, Learning, and Design) Space. 23 Drydock Ave, Boston, MA

AUTODESK
BUILD SPACE
