

INTRODUCING “APS” FOR CM’S...

Organized by Young Members Committee

A – Advancing

P – Productivity

S – Seminar

...A series of live lunchtime webinars geared towards educating construction managers on tips and tricks of technology within the industry. We are proud to announce the kickoff of this exciting new program in 2015. This year, in 2015 we will feature “101” courses covering the basics of Microsoft Office, Scheduling Software, Document Controls Systems and Estimating technology. In 2016, the series will feature the “200-level” courses, expanding beyond the basics.
